

§ 1942.128

7 CFR Ch. XVIII (1–1–04 Edition)

(d) *Development inspections.* Loans under this subpart are subject to the provisions of § 1942.17(p)(4) of subpart A of this part 1942.

(e) *Payment for project costs.* Each payment for project costs must be approved by the borrower's governing body.

(1) *Construction.* Payment for construction must be for amounts shown on payment estimate forms. Form FmHA or its successor agency under Public Law 103-354 1924-18, "Partial Payment Estimate," may be used for this purpose or other similar forms may be used with the prior approval of the District Director. However, the District Director cannot require more reporting burden than is required by Form FmHA or its successor agency under Public Law 103-354 1924-18. Advances for contract retainage will not be made until such retainage is due and payable under the terms of the contract. The review and acceptance of project cost, including construction partial payment estimates, by FmHA or its successor agency under Public Law 103-354 does not attest to the correctness of the amounts, the quantities shown, or that the work has been performed under the terms of agreements or contracts.

(2) *Major equipment.* Payment for major equipment should generally coincide with delivery of the usable equipment, along with any necessary title or certifications, to the borrower. Borrowers may not use FmHA or its successor agency under Public Law 103-354 loan funds to make deposits on equipment not ready for delivery. If a borrower purchases a truck chassis from one supplier and another supplier will complete the development of a fire or rescue vehicle, FmHA or its successor agency under Public Law 103-354 may release funds to pay for the chassis when title to the chassis is transferred to the borrower.

(f) *Use of remaining funds.* Loans under this subpart are subject to the provisions of § 1942.17 (p)(6) of subpart A of this part 1942.

§ 1942.128 Borrower accounting methods, management reports and audits.

(a) Loans under this subpart are subject to the provisions of § 1942.17(q) of subpart A of this part 1942 except as provided in this section.

(b) Borrowers with annual incomes not exceeding \$100,000 may, with concurrence of the District Director, use Form FmHA or its successor agency under Public Law 103-354 1942-53, "Cash Flow Report," instead of page one of schedule one and schedule two of Form FmHA or its successor agency under Public Law 103-354 442-2, "Statement of Budget, Income, and Equity." When used for budgeting, the cash statement should be projected for the upcoming fiscal year. When used for quarterly or annual reports, the cash flow report should include current year projections and actual data for the prior year, the quarter just ended, and the current year to date.

§ 1942.129 Borrower supervision and servicing.

Loans under this subpart are subject to the provisions of § 1942.17(r) of subpart A of this part 1942 and subpart E of part 1951 of this chapter.

§ 1942.132 Subsequent loans.

Subsequent loans will be processed under this subpart.

§ 1942.133 Delegation and redelegation of authority.

Loan approval authority is in subpart A of part 1901 of this chapter. State Directors may delegate approval authority to District Directors to approve fire and rescue loans regardless of whether authority to approve other community facility loans is delegated. Except for loan approval authority, District Directors may redelegate their duties to qualified staff members.

§ 1942.134 State supplements and guides.

State Directors will obtain National Office clearance for all State supplements and guides under FmHA Instruction 2006-B (available in any FmHA or

its successor agency under Public Law 103-354 Office).

(a) *State supplements.* State Directors may supplement this subpart to meet State and local laws and regulations and to provide for orderly application processing and efficient service to applicants. State supplements shall not contain any requirements pertaining to bids, contract awards, and materials more restrictive than those in this subpart.

(b) *State guides.* State Directors may develop guides for use by applicants if the guides to this subpart and subpart A of part 1942 are not adequate. State Directors may prepare guides for items needed for the application; items necessary for the docket; and items required prior to loan closing or construction starts.

Any processing or servicing activity conducted pursuant to this subpart involving authorized assistance to FmHA or its successor agency under Public Law 103-354 employees, members of their families, known close relatives, or business or

§ 1942.302 Policy.

(a) The grant program will be used to support the development of small and emerging private business enterprises in rural areas.

(b) FmHA or its successor agency under Public Law 103-354 officials will maintain liaison with officials of other federal, state, regional and local development agencies to coordinate related programs to achieve rural development objectives.

(c) FmHA or its successor agency under Public Law 103-354 officials shall cooperate with appropriate State agencies in making grants that support State strategies for rural area development.

(d) Funds allocated for use in accordance with this subpart are also to be considered for use of Indian tribes within the State regardless of whether State development strategies include Indian reservations within the State's boundaries. Indians residing on such reservations must have equal opportunity along with other rural residents to participate in the benefits of these programs. This includes equal application of outreach activities of FmHA or its successor agency under Public Law 103-354 County and District Offices.
